(412) 537-2016

EDUCATION

Carnegie Mellon University

Pittsburgh, PA · Aug 2015 - May 2019

B.S. in Chemistry / Biological Chemistry Track, with minors in Human-Computer Interaction and Biomedical Engineering
Cumulative GPA: 3.93 / 4.00

EXPERIENCE

Penn Medicine Center for Health Care Innovation, Innovation Project Intern

Philadelphia, PA · Aug 2019 - Present

Working with clinical providers, software engineers, project managers, and other designers to develop, test, and implement new strategies to improve health care delivery. Project topics range from ovarian cancer precision medicine to antibiotics stewardship.

GlaxoSmithKline, UX Design Intern

Philadelphia, PA · Jun - Aug 2018

Designed an internal community website for data scientists and a repository of operational resources for the Data CoE department. Collaborated with other designers, engineers, scientists, and administrators from global sites.

PROJECTS

Financial Feud

Partnered in a team of five to design a service for PNC Bank to engage with families and increase teenagers' and parents' financial literacy. Prototyped a mobile application for delivery of the service.

Silta

Cooperated in a team of three to design a vehicle for Bridgestone that forms assemblies to create community spaces for facilitating people's social interactions. Prototyped a 3D model of the vehicle.
